

PRESS RELEASE**bpv Huegel: Astrid Ablasser-Neuhuber and Georg Rupprecht winners of Client Choice Awards 2019**

The international award was presented in two categories: Competition and Antitrust Law as well as Restructuring and Insolvency.

15 February 2019. Two partners from bpv Huegel, Astrid Ablasser-Neuhuber and Georg Rupprecht, experts in Austrian and European Antitrust and Merger Control Law, as well as Restructuring and Insolvency, were presented with the Client Choice Award 2019 for Austria in their areas of expertise in London.

The Client Choice Awards recognize those law firms and partners around the world that stand apart for the excellent client care they provide and the quality of their service. The criteria for this recognition focus on the ability to add real value to the clients' business above and beyond the other players in the market.

"The selection criteria of the Client Choice Awards speak for themselves. The award confirms our customers' trust in our competence and the quality of our work. To be nominated by our clients is the greatest honor for us", Astrid Ablasser-Neuhuber and Georg Rupprecht acknowledged.

Uniquely, these awards survey senior corporate counsel only, with this year's winners chosen from a pool of more than 2,000 individual client assessments. Clients were asked to rate individual lawyers and law firms on the following client service criteria: quality of legal advice, commercial awareness, industry knowledge, strategic thinking, billing transparency, tailored fee structures, value for money, responsiveness, effective communication, clarity of documentation, sharing of expertise, appropriate staffing, project management, use of technology, loyalty and ethics.
