ITR Tax Awards 2024: bpv Huegel honoured as “Tax Litigation Law Firm of the Year – Austria” and “Transfer Pricing Law Firm of the Year – Austria”

The ITR Tax Awards recognise the best tax consultants and tax lawyers every year. bpv Huegel was awarded twice this year.

London/Vienna, 20 September 2024. bpv Huegel's tax team was honoured as “Tax Litigation Law Firm of the Year – Austria” and “Transfer Pricing Law Firm of the Year – Austria” at the ITR Tax Awards in London. The team already won the “Tax Disputes Firm of the Year – Austria” award in 2021 and 2022. Last year, the work was crowned with the “Tax Firm of the Year – Austria” award.

“We are particularly proud of the fact that we have been one of the top tax firms in Austria for years and have been honoured twice this year. The awards show that our tireless commitment to excellence is not only recognised in Austria, but also beyond,” says Gerald Schachner, head of the tax group.

Kornelia Wittmann, tax partner, is delighted: *“The fact that we have now been honoured by ITR a total of five times in the last four years is a very special success.”* Nicolas Wolski, tax partner, adds: *“We tax partners are very proud of this team success, which is possible above all because all team members have been contributing to it for years with their outstanding performance. We are therefore particularly pleased that all team members have also been individually ranked by ITR.”*

The International Tax Review, the leading publication for the tax industry, annually honours the most successful tax law firms in the EMEA region (Europe, Middle East and Africa). This year, the ITR Tax Awards were presented for the 20th time. In addition to the size and innovative strength of the law firms, a jury of experts assessed the complexity of the projects handled.
